

## COLUMN DUMP

- Save Your Back
- Made in the USA
- 800 LB Lift Capacity
- Travels 16 FPM
- All Stainless Steel Construction
- Easy to Operate
- Holds Standard Meat Buggie 400# and 600#
- RIGHT OR LEFT HAND DUMPING MACHINES
- ADJUSTABLE DUMPING HEIGHTS AVAILABLE

Here is your back saver. The COLUMN DUMP will lift a buggie full of product and dump it for you. Wheel your buggie into the lift arms and flip the toggle, it will do the rest. Flip the toggle to lower it back to your desired load height. The Column Dump is shown with optional moveable base and funnel.
